The third of 5 completely independent live action erotic horror films based on the hit anime Angel of Darkness - one of the best-selling adult anime titles ever! Never been seen before in the United States, Angel of Darkness brings together the hottest demon tentacle action and the most stylish erotic horror!

Sex, Passion and Demonic Possession!

After unleashing its fury against the Seika College campers, the Injuu, a sex starved tentacle demon, was seemingly defeated. But having witnessing the devastating aftermath of the Injuu's appetites, Father Tadokoro isn't so convinced this vicious demon is really dead.

Determined not to let another innocent young woman become a victim of the demon's beastly desires, he sets off to Showa Central Hospital to check up on the sole survivor of the massacre. When his sloppy investigation alerts the Injuu to his presence, it manages to escape by lashing out at anyone within reach - and that includes playing 'doctor' with hot college professor, Manabel!

Back on the streets once more, this hungry demon is ready to feast on human sexual appetites everywhere! But who needs to search the streets when you have an entire campus full of hot women like Fumie and Kaori? Can Father Tadokoro defeat this rampaging sex demon before it claims yet another young vivacious victim? Or will they Fumie and Kaori also fall victim to its insatiable appetite?
